About us

We, Melanie from Vienna and Angelina from Rottach-Egern, have both worked on a cruise ship and traveled the world. In January 2021, a sporting event on board that Melanie organized and led brought us together. We got talking and quickly realized how much we have in common: our enthusiasm for sports, our love of good food and our joy in working with people.

A favorite place for everyone

On August 21, 2021, we opened our café & bistro „Lieblingsplatz am Tegernsee“. Our goal was to create a place that people would love to come back to - for good food, friendly service and a relaxed atmosphere. A place that offers a piece of home and where everyone feels comfortable.

We attach great importance to the fact that our offering is varied and suits every lifestyle: from regional classics to vegetarian, vegan and gluten-free dishes, there is something for everyone. Our breakfast-all-day concept is particularly popular, with which you can indulge yourself all day long.

As a tribute to Melanie's roots, we have also integrated a piece of Viennese coffee house culture - whether Einspänner or Melange, the Viennese charm is simply part of our culture.

Quality and regionality that convinces

Nothing leaves the kitchen that we wouldn't eat ourselves. This is our guiding principle. We rely on fresh, regional ingredients and work with partners from the area. Our focus is on honest cuisine that simply tastes good and at the same time convinces with quality.

A strong team

Behind the favorite place is a great team that works with passion and heart and soul every day. Without our employees, our project would not be what it is today - a place where hospitality and quality come first.

In addition to our café, Gmund's favorite sport is also part of our concept.

Melanie has created a place here that offers space for exercise and well-being. Whether you're a sports enthusiast or a beginner - everyone can get active here and consciously take time for themselves.

Our vision was to create a favorite place in the truest sense of the word - a place that connects and inspires. We look forward to welcoming you!
